

Planned giving

Charitable gifting is personal.

You may be surprised to learn that recent legislation has made it easier than ever to create a legacy that benefits those causes closest to your heart.

“Please call me and I will help you customize a legacy that will be rewarding to you.”

Annual Fund 2011

MARY LANNING

HEALTHCARE
FOUNDATION

Who we are

The **Mary Lanning HealthCare Foundation** is a registered 501 (c)(3) organization dedicated to assisting Mary Lanning Memorial HealthCare meet and exceed the challenges of medical care.

We work with donors to customize opportunities to fit their wishes for charitable gifts.

Your financial support helps to ensure progressive medical services are available when you need them most.

William H. and Alice T. Lanning established Mary Lanning Memorial Hospital, now Mary Lanning Memorial HealthCare, in loving memory of their only child, Mary, who died suddenly at age 21 in 1910.

Today, the award-winning hospital offers 32 specialized healthcare services and is one of the largest employers and economic contributors in central Nebraska, with nearly 1,000 employees and hundreds of volunteers.

Gifting opportunities

- An **unrestricted** gift to the endowment ensures the long-term sustainability of the Mary Lanning HealthCare Foundation.
- Your gift to **scholarships** continues to assist students pursuing nursing and radiologic technology degrees.
- A gift to **equipment/technology** allows the Foundation to assist the hospital in acquiring the latest advancements in equipment and technology to better serve patients.

Thank you!

Your gift to the Annual Fund is 100% tax deductible.

MARY LANNING
ML
HEALTHCARE
FOUNDATION

The Annual Fund

Your gift to the Annual Fund allows you to help plan for healthcare's future. The Mary Lanning HealthCare Foundation does not perform outpatient surgeries, monitor your child's diabetes or administer your CT scans. Instead, we support Mary Lanning Memorial HealthCare in making those services available in central Nebraska.

Your Annual Fund gift will keep MLMH advancing in its tradition of service, education and community involvement.

"As President of the Board of Directors for the Foundation, I am proud to be among the first business leaders to participate in the Annual Fund."

— Ann Martin, co-owner,
Idea Bank Marketing

"Throughout my years of service on the hospital's Board of Trustees, I learned that lean budgets and careful planning are not enough. Foundations that plan for the next generation with a healthy Annual Fund provide the flexibility vital to our future."

— Robert L. Anderson, M.D.
